

SUBMISSIONS OF MANUSCRIPTS

REPRESENTATIONS welcomes submissions of previously unpublished manuscripts. **Two hard copies and a digital file** are required; both should include a short **abstract**. Send hard copies (including photocopies of images) to the editorial office address below. Send digital files to reps@berkeley.edu.

Manuscripts should not exceed **40 pages in length**, at no more than 300 words per page, including notes.

MANUSCRIPT STYLE

Double-space throughout, including text, extracts, quotations, and endnotes. Type endnotes separately on pages following the text. In general, follow style guidelines established in the **15th** edition of the *Chicago Manual of Style*.

PROCEDURES

Accepted manuscripts will be returned to authors for a review of copyediting. Proofreading is the author's responsibility. Authors are also responsible for obtaining permissions to quote extracts or reproduce illustrations.

ILLUSTRATIONS

Legible photocopies are acceptable for first review. Final acceptance of illustrated submissions is conditional upon receipt of high-resolution TIFF files; these will be requested upon initial acceptance. A separate list of captions, including all necessary credits and permission lines, should be submitted with the accepted manuscript, along with photocopies of evidence of permissions granted.
